

Access Your Health Information Online

We are transitioning to Epic MyChart, our new patient portal.
Until then, use MyLinks to access your health information.
MyLinks gives you secure access to your health information from multiple providers.

Epic MyChart is Coming
in February 2027

Step 1: Create Your Account

Go to www.mylinks.com and click "Register as a new user."

Complete the form and click "Register."

Then confirm your email.
Click "Let's get started."

Step 2: Add Your Health Records

From your Dashboard, click "Gather Records," then select "Add New Connection."

Search for your provider, select the facility, and click "Get Health Record."

Step 3: Allow Access

Sign in, complete verification, and click Accept to allow access.

Don't have an invitation code from Altera?
Please send an invitation request email to HealthInfo@newbridgehealth.org with your name, date of birth, address, and phone number to get a new code.

Step 4: View Your Information

Once your health records are gathered from the health facility of your choosing, your Dashboard will be populated, and you will be able to view your medical records.
